Dear Colleagues,

On behalf of the Evaluation Committee, we are pleased to announce the winner of the 2018 *ChemEngineering* Travel Award.

This award is granted to Dr. Ponnivalavan Babu, a research fellow under the supervision of Associate Professor Praveen Linga from the National University of Singapore. Dr. Babu's research focuses on energy, water, and climate change pertaining to clathrate hydrate as a technology enabler. He will present his work at the 2018 AIChE Annual meeting, which will be held on 28 October 2018 in Pittsburgh, PA, USA.

## 2018 TRAVEL AWARDS WINNER

It was a very difficult decision with such high-quality applications for the awards, and we would like to thank all the applicants in various fields of study for their participation and all the Award Committee members for their evaluation of the abundant excellent applications. We congratulate Dr. Ponnivalavan Babu for his accomplishment.
