Desalination

This is to certify that in January 2019 the paper

Seawater desalination by gas hydrate process and removal characteristics of dissolved ions (Na^+ , K^+ , Mg^{2+} , Ca^{2+} , B^{3+} , Cl^- , SO_4^{2-})

by

Kang, K.C., Linga, P., Park, K.-N., Choi, S.-J., Lee, J.D.

was among the 25 most cited articles* published in *Desalination* since 2014

This paper was published in:

Volume 353, November 17, 2014, Pages 84-90.
